

## CONTENT

ABSTRACT.....	I
ABSTRACT-CHINESE.....	III
ACKNOWLEDGMENTS.....	V
CHAPTER 1.....	1
1.1 Background of the study.....	1
1.2 The significance and purpose of research.....	2
1.2.1 Research significance.....	2
1.2.2 Research purpose.....	3
1.3 Conceptual indicators and theories of debt financing and corporate performance.....	4
1.3.1 Concepts and indicators of debt financing.....	4
1.3.2 Concepts and indicators of corporate performance.....	6
1.4 Theory of relationship between debt financing and corporate performance.....	9
CHAPTER 2.....	14
2.1 Literature review.....	14
2.2 Foreign literature review.....	15
2.2.1 Relationship between debt structure and corporate performance.....	15
2.2.2 Relationship between the term of claims and company performance.....	16
2.2.3 The relationship between the source of claims and company performance.....	16
2.3 Domestic literature review.....	17
2.3.1 Relationship between overall debt structure and corporate performance.....	17
2.3.2 Relationship between debt maturity structure and corporate performance.....	18
2.3.3 Relationship between debt source structure and corporate performance.....	19
2.4 Summary of literature review.....	20
CHAPTER 3.....	21
3.1 Research methods.....	21
3.2 Research content framework.....	21
3.3 Essay deficiencies.....	23
CHAPTER 4.....	24

4.1 Hainan Airlines' profile and status quo analysis.....	24
4.1.1 Profile of Hainan Airlines.....	24
4.1.2 Introduction to Hainan Airlines's shareholding process.....	25
4.1.3 Introduction to Hainan Airlines debt financing event.....	26
4.1.4 Status analysis of Hainan Airlines debt financing.....	30
4.1.5 Analysis of the performance of Hainan Airlines.....	36
4.2 Empirical analysis of Hainan Airlines' debt financing and corporate performance.....	39
4.2.1 Sample selection and data sources.....	39
4.2.2 Selection of variables.....	40
4.2.3 Empirical design and analysis of overall debt structure.....	43
4.2.4 Empirical design and analysis of debt maturity structure.....	46
4.2.5 Empirical design and analysis of debt source structure.....	48
CHAPTER 5.....	51
5.1 Empirical research results analysis and recommendations.....	51
5.1.1 Analysis of empirical research results.....	51
5.1.2 Suggestions.....	56
5.2 Conclusion.....	60
REFERENCE.....	61

## TABLE

Table 1 : Summary of the relationship between debt financing and corporate performance.....	13
Table 2 : Hainan Airlines' shareholding process.....	25
Table 3 : Hainan Airlines bank borrowing event.....	27
Table 4 : Hainan Airlines issued bonds.....	28
Table 5 : Hainan Airlines financial leasing event.....	30
Table 6 : Overall structure of Hainan Airlines debt.....	31
Table 7 : Hainan Airlines' liability structure.....	33
Table 8 : Debt source structure of Hainan Airlines.....	34
Table 9 : Hainan Airlines' ROE.....	36
Table 10 : Business profit of big four airlines.....	38
Table 11 : Summary of variables.....	42
Table 12 : Descriptive statistics of variables.....	43
Table 13 : Test results of the stationarity of the debt structure.....	44
Table 14 : Multicollinearity test results of debt overall structure independent variables.....	45
Table 15 : Regression results of the debt overall structure model.....	46
Table 16 : Stationarity test results of debt maturity structure variables.....	47
Table 17 : Multicollinearity test results of debt term structure independent variables.....	47
Table 18 : Regression results of debt maturity structure model.....	48
Table 19 : Test results for stationarity of debt source structure variables.....	49
Table 20 : Multicollinearity test results of debt source structure independent variables.....	50
Table 21 : Regression results of the debt source structure model.....	50

## **FIGURE**

Figure 1 : Structure of this article.....	23
Figure 2 : Comparison of negative assets of the four major airlines.....	32
Figure 3 : Hainan Airlines' long-term debt ratio and short-term debt ratio.....	33
Figure 4 : Comparison of the source structure of Hainan Airlines's debt.....	35
Figure 5 : Comparison of ROE of the big four airlines.....	37
Figure 6 : Comparison of operating profit margins of the four major airlines.....	39
