

ACKNOWLEDGEMENTS

Today, I would like to write an acknowledgements, which means that I have come back to the stage of review and conclusion.

This paper is carried out under the guidance of Professor Li Chiaoming, International College of Siam University. The instructor's erudite business management knowledge, rigorous academic attitude, the work style of excellence, the indefatigable and noble morality, and the charming personality charm have a profound influence on me. He not only did I successfully finish the writing of this thesis and master the basic research methods, but also made me understand a lot of truth of the the way of doing things. Let me be more clear in my lifetime, and once again feel the warmth of the teacher's "preaching, teaching, and dispelling doubts". Here, I would like to express my sincere respect and heartfelt thanks to my tutor!

As time flies, I have entered my middle age. Although I have a good job at present, there is a crisis of "one day without learning and a thousand miles behind". I have been with my beloved wife Lin Lan for more than 10 years, who encouraged me to study abroad, while she took the burden of caring for the family at home. Yes, without her selfless dedication and wholehearted support, I could not have the opportunity to study abroad, but also can not be completed today Strategic talent Research in transnational enterprises ' political law --- take the case of Lotte Group in Korea. Here, gratitude is hard to say!

Studying in Siam University for two years has added countless wonders to my life. During this period, I had many friendly exchanges with Dr. PornchaiMongkhonVanit, president of the University, Professor Rengson ,Vice President of the University, vice principal Carrie Zhu of International college and Mr. Song . They took me to a lot of off campus academic meetings and met many international friends. I grow knowledge and knowledge in joy. You are my best mentor in Thailand! I thank you!

In the course of this study, I was also taught by Professor Chenin Chen of Chulalongkorn University, Dr. Wang Jing of Xiamen University, Professor Gao Ruizhong and Professor Ching-Chiao Yang of National Kaohsiung University of Science and Technogy, Mr. Zhang Lisheng of Siam University. Thank you!

Finally, thank all once again !
