5.3	Results and discussion.....	36
5.3.1	The Influence of Hofstede's Theory of Cultural Dimensional Relationship on Employees' Loyalty.....	36
5.3.2	The organizational commitment to employees' employee loyalty.....	37
5.3.3	The Influence of Hofstede's Theory of Cultural Dimensional Theory on Organizational Commitment.....	38
5.3.4	The mediating effect of organizational commitment.....	38
6.	Research conclusions and management implications.....	39
6.1	Research conclusions.....	39
6.1.1	Hofstede's theoretical relationship of cultural dimension is a positive predictive variable for employees' loyalty.....	39
6.1.2	Hofstede's theoretical relationship of cultural dimension is an important positive predictor of organizational commitment.....	40
6.1.3	Organizational commitment is an important positive predictor of employee loyalty to employees.....	40
6.1.4	The employee's organization promises to mediate the relationship between Hofstede's cultural dimension theory and employee loyalty.....	40
Table 14	Assumptions Summary.....	41
6.2	Management inspiration.....	41
6.2.1	Employees' sense of corporate identity is the best predictor of employee loyalty.....	42
6.2.2	The higher the degree of matching of the Hofstede's cultural dimension theory in the company, the higher the organization's commitment to the higher employees' loyalty.....	42
6.3	Research limitations.....	43
6.4	Research prospects.....	43
