

## **ACKNOWLEDGEMENTS**

The research and the dissertation are finished with the tender care and careful guidance of my supervisor, Dr. ChingFang Chi and I was deeply affected and inspired by his serious scientific attitude, rigorous scholarly research spirit and the work style of keeping on improving. My supervisor, Dr. ChingFang Chi always gives me the careful guidance and unremitting support from the selection of the subject to the final completion of the project. Dr. ChingFang Chi gives me the careful guidance on my study but also gives me excellent care in thought and livelihood. Sincere appreciation and high respect are extended to Dr. ChingFang Chi.

Thank you so much!
